Nilay Jani

Founder / CEO nGuage Solutions

Nilay has 20 years of domestic and international experience working with various technology related organizations.

He started his career in USA working with Association Management Technologies. In 2008, after he returned to India he founded Prometheus Solutions Pvt Ltd, with the vision to create India's 1st company focusing on Association Management.

Nilay has also pioneered E-Voting in India. In 2012 he saw the need to help Associations for their conferences and exhibitions. That's when he started a division working on Association driven events.

Over the years Nilay has been involved more than 70 Associations and helped them with marquee events such as ELECRAMA, GFF, PLASTINDIA, to name a few.
